Totally Entwined Group Limited, United Kingdom, 2012. Paperback. Condition: New. Language: English. Brand new Book. She's everything Travis Williams has ever wanted, but with murder in the cards, will the hunky shifter succeed in claiming Sarah French as his? Travis Williams has steadily fallen in love with ranch owner, Sarah French. She's sexy as sin, beautiful inside and out, stubborn and as spirited as one of her feistiest horses. She's going to be hard to tame, but if anyone has the balls to do it, Travis does. After all, he wants to win her and win her good-by loving the Texan bones of her and taking her to heights she's never been before. Sarah French has a problem-she sees things in only black and white and doesn't trust men. Though she employs all males on her ranch, it doesn't mean she has to like them. An only child, she's grown up feeling inferior since her mother died while giving birth to a much-wanted son. All her life, Sarah has vowed to be as good as-or better than-any man, and no one will persuade her otherwise. She's strong, she's tough, and she's obstinate as all get out. However, her icy facade is about to be melted, because not only Travis has her in his sights as a potential bed-mate, local bad-boy Clark James has made it clear he'll take Sarah whatever way he can, including by force. With her emotional walls tumbling around her, the suspicion that the man she loves is a wolf, and Clark making her cringe at every turn, Sarah must learn that not everything is so clear cut. Sometimes, you have to look at the world in shades of grey."
